SAVINGS AND CHECKING ACCOUNT DISCLOSURES

- 1. Rate Information.** The Annual Percentage Yield (APY) is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. For all earning accounts, the Dividend Rate and APY may change at any time as determined by the Credit Union's Board of Directors. The **Money Market, MY Savings, MY Whatever Savings, and Premium Checking** are Tiered Rate accounts. The balance ranges and corresponding Dividend Rates and APYs applicable to each tier are disclosed in the Rate Schedule. Once a particular balance range is met, the Dividend Rate and APY for that balance range will apply to the full balance of your account.
- 2. Nature of Dividends.** Dividends are paid from current income and available earnings after required transfers to reserves at the end of the dividend period.
- 3. Dividend Compounding and Crediting.** The compounding and crediting frequency of dividends and dividend period applicable to each account are stated in the Rate Schedule. The Dividend Period is the period of time at the end of which an account earns dividend credit. The Dividend Period begins on the first calendar day of the period and ends on the last calendar day of the period.
- 4. Accrual of Dividends.** For all earning accounts, dividends will begin to accrue on noncash deposits (e.g., checks) on the business day you make the deposit to your account. If you close your account before accrued dividends are credited, you will not receive the accrued dividends. However, for **Christmas Club** accounts, any accrued dividends will be paid if you close the account within seven (7) days of the date opened.
- 5. Balance Information.** To open any account, you must deposit or already have on deposit at least the par value of one full share in any savings account. Any additional opening deposits and any minimum balance requirements are stated in the Rate Schedule. If you have a **Share Savings, a Non-Dividend Savings, or MY Savings** only, you must maintain an Average Daily Balance of \$100.00 or more based on the same member number to avoid a Low Balance Fee as stated in the Fee Schedule; however, the fee will be waived for members age 18 and under and for accounts opened 90 days or less. For **Money Market**, there is a minimum Daily Balance required each day to avoid a Low Balance Fee for the dividend period. For accounts with a minimum Average Daily Balance required to earn the APY, if the minimum Average Daily Balance is not met, you will not earn the APY stated in the Rate Schedule. For **Money Market**, there is a minimum Daily Balance required to earn the APY disclosed and for each day the minimum Daily Balance is not met, you will not earn the stated APY. For accounts using the Average Daily Balance method as stated on the Rate Schedule, dividends are calculated by applying a periodic rate to the Average Daily Balance in the account for the dividend period. The Average Daily Balance is calculated by adding the balance in the account for each day of the period and dividing that figure by the number of days in the period. For accounts using the Daily Balance method as stated on the Rate Schedule, dividends are calculated by applying a daily periodic rate to the balance in the account each day.
- 6. Account Limitations.** For **Share Savings, Non-Dividend Savings, UGMA, Kids Savings, Teen Savings, MY Savings, MY Whatever Savings, Christmas Club, and Money Market**, if you withdraw from your account, you may be charged a fee as disclosed in the Fee Schedule. For **Christmas Clubs**, the entire balance will be transferred to your primary share account on November 1st and the account will remain open. The **Kids Savings** is for members age 12 and under. At age 13, the account will be converted to a **Teen Savings** for 13 through 17. At age 18, the **Teen Savings** will be converted to a **MY Savings**. **MY Savings** and **MY Whatever Savings** are for members age 18 to 25. At age 26, the **MY Savings** account and the **MY Whatever Savings** will be converted to a **Share Savings**. For checking account products, no transaction limitations apply.
- 7. Fees for Overdrawing Accounts.** Fees may be imposed on each check, draft, item, preauthorized automatic debit, telephone-initiated withdrawal or any other electronic withdrawal or transfer transaction that is drawn on an insufficient available account balance. The entire balance in your account may not be available for withdrawal, transfer or paying a check, draft or item. You may consult the Funds Availability Policy for information regarding the availability of funds in your account. Fees (Courtesy Pay or NSF) for overdrawing your account may be imposed for each overdraft, regardless of whether we pay or return the draft, item or transaction as stated in the Fee Schedule. Fees for ATM and everyday debit card transactions are not imposed unless you have opted in to the overdraft protection plan that covers these transactions. See Account Agreement for details about Nonsufficient Funds and Overdrafts. For automatic Overdraft Transfers from your share or checking account(s), you may incur a fee for each transfer. This fee is not applicable for transfers you initiate. See Fee Schedule for amount.

8. **Premium Checking Requirements.** To avoid the monthly checking fee, you must maintain an average daily balance of \$2,500 in checking or combined month-end balance of \$5,000 in savings, checking, and money market based on the same member number

PLUS one of the following:

combined month-end loan balance of \$15,000 or more on consumer loan(s) excluding first mortgage and credit cards; OR
have a first mortgage loan; OR

have a monthly payroll direct deposit of at least a single amount of \$250 or more AND either 10 posted signature-based debit card transactions or an open credit card in good standing.

9. **Simple and Self-Service Checking Requirements.** To avoid the monthly checking fee, you must meet at least one of the following requirements based on the same member number:

an average daily balance of \$1,000 in checking; OR

combined month-end loan balance of \$10,000 or more on consumer loan(s) excluding first mortgage and credit cards; OR
have a first mortgage loan; OR

have a monthly payroll direct deposit of at least a single amount of \$250 or more, AND either 10 posted signature-based debit card transactions or an open credit card in good standing; OR

be age 25 or under at month-end.

10. **Self-Service Additional Requirements.** In addition to the requirements above, teller services are limited to transactions for cashier's checks only. Contact Center/ Branch Services Representative Services are limited. Account transfers, balance inquiries and other account details must be performed using self-service options. Contact Center/Branch Service representative assistance is not available for these services, the exception being only when our automated systems are off-line. These restrictions apply to all accounts including savings, club, and Self-Service Checking accounts established under the same member number. eStatements are required to maintain a Self- Service checking account. Bill Pay is available and is optional. If you register for Bill Pay, you must use the service to pay at least one bill each month, or register for Zelle and complete a Zelle transaction, to avoid a non-usage fee as stated in the Fee Schedule.

11. **Special Programs.**

a. **Military.** Active-duty Military members are exempt from Premium Checking monthly checking fee, minimum balance, and transaction activity requirements for an initial three (3) year term with proof of active-duty status. At the end of each three (3) year term, this benefit will be revoked unless you provide proof of continued active-duty status.

b. **Bank at Work.** Must be eligible for applicable 1099 reporting for bonus or dividend income to qualify. Bank at Work members are exempt from the applicable monthly checking fee for 12 months while receiving a qualifying direct deposit, defined as a monthly direct deposit of at least a single amount of \$250 or more directly from a Bank at Work employer (allocations are not accepted) to the checking account. After 12 months, Bank at Work members must meet the required minimum balance and/or qualifying relationships to avoid the monthly checking account fee. Bank at Work members are eligible to receive a \$100 incentive for the newly established membership with direct deposit to the new checking account within sixty (60) days of account opening, and must enroll in electronic statements. Existing members are not eligible to receive the \$100 incentive. The \$100 will be deposited (six to eight weeks) once requirements are verified.

SHARE AND IRA CERTIFICATE ACCOUNT DISCLOSURES

1. **Rate Information.** The Annual Percentage Yield (APY) is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. For Share Certificate, Jumbo Share Certificate, IRA Certificate, and Jumbo IRA Certificate accounts, the Dividend Rate and APY are fixed and will be in effect for the initial term of the account. The Step-Up Certificates will have a fixed rate for the term of the Certificate unless you exercise a onetime option to have the rate increased to the current rate offered on the Step-Up Certificate of the same type and term. For accounts subject to dividend compounding, the APY is based on an assumption that dividends will remain on deposit until maturity. A withdrawal of dividends will reduce earnings.
2. **Dividend Period.** For each account the dividend period is the account's term. The dividend period begins on the first day of the term and ends on the maturity date.
3. **Dividend Compounding and Crediting.** The compounding and crediting frequency of dividends is stated in the Rate Schedule.
4. **Balance Information.** The minimum balance requirements applicable to each account are set forth in the Rate Schedule. To open any account, you must deposit or already have on deposit at least the par value of one full share in a Savings account. Some accounts may have additional minimum opening deposit requirements. All accounts use the Average Daily Balance method which calculates dividends by applying a periodic rate to the Average Daily Balance in the account for the dividend period. The Average Daily Balance is determined by adding the full amount of the principal in the account for each day of the period and dividing that figure by the number of days in the period.
5. **Accrual of Dividends.** For all accounts, dividends will begin to accrue on non-cash deposits (e.g., checks) on the business day you make the deposit to your account.
6. **Transaction Limitations.** For all accounts, you may make withdrawals of credited dividends within the current term without penalty. For all Certificates except Step Up Share Certificates, after your account is opened, we may from time to time permit additional deposits at a minimum of \$100.00. We will notify you when this feature is available.
7. **Maturity.** Your account will mature as stated on this Rate and Fee Schedule or on your Account Receipt or Maturity Notice.
8. **Early Withdrawal Penalty.** We may impose a penalty if you withdraw any of the principal before the maturity date.

Amount of Penalty. The amount of the early withdrawal penalty is based on the term of your account as follows:
Terms of 12 months or less = 90 days' dividends
Terms of more than 12 months through 24 months = 180 days' dividends
Terms of More than 24 months = 360 days' dividends
Premium Share Certificate – Regardless of term = 360 days' dividends

How the Penalty Works. The penalty is calculated as a forfeiture of part of the dividends that have been or would be earned on the account. It applies whether or not the dividends have been earned. In other words, if the account has not yet earned enough dividends or if the dividends have already been paid, the penalty will be deducted from the principal.

Exceptions to Early Withdrawal Penalties. At our option, we may pay the account before maturity without imposing an early withdrawal penalty under the following circumstances:

 - i. When an account owner dies or is determined legally incompetent by a court or other body of competent jurisdiction
 - ii. Where the account is an Individual Retirement Account (IRA) and any portion is paid within ten (10) days after establishment; or where the account is a Keogh Plan (Keogh) provided that the depositor forfeits an amount of at least equal to the simple dividends earned in the amount withdrawn; or where the account is an IRA or Keogh, and owner attains age 59 ½ and receives periodic payments, or owner reaches 70 ½ and receives required minimum distributions.
9. **Renewal Policy.** Most Certificate accounts will automatically renew for another term upon maturity. Premium Share Certificates and Promotional Share Certificates will not renew automatically. Refer to your Account Receipt or Maturity Notice for specifics. For certificates that renew automatically, we will provide at least 30 days' notice prior to maturity. The notice will inform you of the terms, if any, under which we propose to renew the certificate. You have a grace period of ten (10) calendar days after maturity in which to draw funds in the account without being charged an early withdrawal penalty.
10. **Premium and Promotional Share Certificates.** For Premium Checking members, we offer premium rates for new Share Certificate accounts with funds automatically transferred to your Premium Checking at maturity. We will offer from time to time, Promotional Share Certificates with funds automatically transferred to your Savings at maturity. For both of these products, the term and rate are based on market conditions at the time of the offer.
11. **Nontransferable/Nonnegotiable.** Your account is nontransferable and nonnegotiable.
12. **Discontinued Share Certificates.** If at any time we should discontinue a certificate product/term, your certificate balance and dividends earned will be deposited to the primary share account under the same member number.
